TOWN OF MOULTONBORO

TOWN WARRANT

State of New Hampshire

To the inhabitants of the Town of Moultonboro, in the County of Carroll, qualified to vote in town affairs:

You are hereby notified to meet at the Town House, in said town, on Tuesday, the 8th day of March, 1921, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose by ballot and major vote: A clerk, three selectmen, one or more, not exceeding three highway agents, two auditors, two library trustees for three years, one trustee of trust funds for three years.
2. To bring in your ballots for the Amendments to the Constitution, submitted by the last session of the Constitutional Convention.
3. To raise and appropriate such sums of money as may be necessary to repair highways and bridges in said town; for the support of the poor in said town; for the support of the Public Library, and for other charges in said town.
4. To see if the town will vote to raise and appropriate a sum of money necessary to secure Trunk Line Aid, and a further sum necessary to secure aid from the State and Federal money, agreeable to chapter 8, Session Laws of 1917, said fund to be treated in same manner as a joint State and Town fund in trunk line

TOWN OF MOULTONBORO

construction. To see what part of the same shall be appropriated from money in the town treasury and what part the town will vote to raise and appropriate for said purpose.

5. To see if the town will vote to raise and appropriate a sum of money not exceeding two hundred dollars for electric lights near Center Harbor Village and Moultonboro Corner, both in Moultonboro.

6. To see what action, if any, the town will take in regard to the five thousand dollars (\$5,000.00,) voted at the town meeting March 9, 1920, (to be raised in 1921) for the building of the Lake Shore Road, so called.

7. To see if the town will vote to authorize the selectmen to hire money in anticipation of taxes.

8. To hear the report of the officers and pass any vote relating thereto.

Given under our hand and seal this 5th of February, 1921.

GEORGE A. BLANCHARD	Selectmen
FRANK G. GOULD	of
CHARLES A. HANSON	Moultonboro

GEORGE A. BLANCHARD

For the Trustees.

TOWN OF MOULTONBORO.

Annual Report of the Superintendent of Schools

To the School Board and Citizens of Moultonboro.

It is a pleasant task to submit my second annual report to the School Board and citizens of Moultonboro for their careful examination. Again, I feel as I did a year ago that the people of Moultonboro are desirous of having just as efficient schools as its neighboring communities, and I can assure you that during the past year it has taken steps equally as modern and progressive as other rural towns of the state.

Teachers.

Your superintendent and school board realize that in order to induce experienced teachers to remain in rural sections we must have throughout the state a supply of teachers equal to the demand. We have not yet reached that point. It is carefully estimated by the National Education Association that there is a shortage and below standard in this country, 92,000 teachers. In New Hampshire this same organization estimated that there were 282 vacancies and teachers below par. Thus it has been impossible for rural towns to retain teachers any great length of time. Unquestionably one of the great problems before the people of this country is the securing and holding well trained teachers in these rural towns.

The ideal which your superintendent hopes to see realized

TOWN OF MOULTONBORO

in this county is at least a two years post secondary training for all teachers entering the profession. From the table below one can see the situation in New Hampshire.

Those teaching over 20 years	11 pc.
Those teaching from 15 to 20 years	6 pc.
Those teaching from 10 to 15 years	12 pc.
Those teaching from 5 to 10 years	18 pc.
Those teaching from 1 to 5 years	26 pc.
Those teaching one or less	15 pc.
Those inexperienced	12 pc.

In other words, over 50 p.c. of our teachers in N. H. are with less than 5 years' experience. In Moultonboro our teachers have the following qualifications: One teacher has two and a half years' experience and is a graduate of Gorham Normal School; one has six and a half years of experience and a student at Plymouth Summer School; one, with three and a half years experience and a student at Plymouth Summer School; one, with over twenty years teaching experience; one teacher with one and a half years teaching experience and a student at Plymouth Winter School, and one with three years teaching experience.

During the past year teachers' salaries in Moultonboro have been raised about 25 pc. while in many of our neighboring towns 35 to 50 pc. increases were made. The Board and your superintendent have tried to keep in mind in the teachers' salary schedule 3 factors; the teacher's living wage, her professional wage, and her saving wage. Unless these elements are always considered we can never expect to have a supply of teachers equal to the demand. The present teachers are: Village, Dorothy Davis; Ambrose, Sadie

TOWN OF MOULTONBORO

Foss; Richardson, Gladys Severance; Greenes' Corner, Eunice Hunt; Lower Neck, Elizabeth Greene; and Center Harbor Village, Della Tuttle.

Medical Inspection

For many years the educational world has sought to improve the mind. Brilliant energy has been used on many children with but meagre results, due in a large measure to physical defects possible to correct. It is impossible to successfully make a mental giant from a physical dwarf. And so in our recent educational law all districts are obliged to have some form of medical inspection. And there are five good reasons why it is essential: 1, as a measure of prevention; 2, the control of communicable diseases; 3, a method of discovering physical defects; 4, removing the same; 5, and education of the public.

Moultonboro the past year has had the services of Dr. Lovering. Nearly all the pupils have been examined for defective vision, teeth and hearing, for enlarged tonsils and deformities, at an expense of about fifty cents per pupil. Altho a few parents have had these defects attended to we still have a number of pupils who could do from 25 to 50 pc. more efficient school-work if these physical defects could be removed. Health is the most essential asset in life. Number pupils examined, 84

No. pupils with defective vision -	10
No. pupils with defective hearing	4
No. pupils with defective teeth	70
No. pupils with enlarged tonsils	10
No. pupils with adenoids	2
No. pupils with malnutrition	1
No. pupils with whooping cough	1

TOWN OF MOULTONBORO

Transportation.

The district is now maintaining four transportation routes. Four pupils are being transported by Mrs. Elvira Wakefield to the Ambrose school, three pupils are carried by E. C. Goodwin from the Middle Neck district to the Greene's Corner school. Arthur Abbott is transporting his own boy to the Village school, and Elmer Horne carries Beatrice Ruiter to the Center Harbor Village school. In the fall term three pupils from the Lower end of the Neck were transported with the children of the Middle Neck section to the Greene's Corner school, but owing to the distance it was not advisable during the winter months. As the above pupils are so scattered about town it is costing somewhat more than other towns are paying per pupil, but these pupils are being educated from 50 to 100 p.c. less by transporting, than having three or four extra schools. It is hoped that the present legislature may in some way amend the public statutes so that no district will be obliged to pay more than a reasonable amount for transporting its pupils.

The Board has endeavored to secure competent drivers in each case so that all our pupils will have proper care in going to and from school. As a whole the Board has had very few complaints concerning transportation.

Repairs.

In August we had thirteen pupils in the Richardson district and so it was deemed advisable to open a school there rather than transport so many pupils. It was necessary to make a few minor repairs such as putting in new windows and rebuilding the toilets. Blackboards were taken from the Goss Corner school building and seats from the Center Harbor village school building.

TOWN OF MOULTONBORO

The coming year we shall need some book closets made and a new floor laid at the Ambrose building. The district should make a beginning toward painting its buildings. The writer knows of no town about here where its school buildings need paint more than these of this school district. It is an economic proposition and I trust the district will be able to paint at least one building the coming year.

SCHOOL LUNCHES

In four of the schools a warm dish is served nearly every school day as a supplement to the cold basket lunch. Soups, cocoa, milk and toasts are prepared by the pupils and teachers. The parents and pupils furnish the material. The district is under no monetary obligation for the foods. The teachers and parents are, with but a few exceptions, heartily in sympathy with this part of our school program. The lunch hour is so well carried out at Center Harbor Village that the teacher has received commendation from the Department of Education.

PROGRAM OF STUDIES

The Moultonboro schools are following the state program of studies. The subjects offered in each grade are:

GRADE I

A—Reading, arithmetic, writing.

B—Singing, drawing, history stories, hygiene, nature, organized plays and games.

TOWN OF MOULTONBORO

GRADE II

- A—Reading, arithmetic, writing.
- B—Singing, drawing, history stories, hygiene, nature, savings, plays and games.
- C—History, humane treatment, geography.

GRADE III

- A—Reading, arithmetic, writing, spelling.
- B—Singing, drawing, hygiene, nature, thrift, current events, plays and games.
- C—History, geography, humane treatment.

GRADE IV

- A—Arithmetic, writing, language forms, spelling, geography, music.
- B—Drawing, elementary physiology, nature, humane treatment, thrift, current events, plays and games.
- C—History, industries, civics.

GRADE V

- A—Arithmetic, writing, grammar, spelling, geography, music.
- B—Drawing, nature, thrift, current events, plays and games.
- C—History, sanitation, industries, civics.

GRADE VI

- A—Arithmetic, writing, spelling, geography, music.
- B—Drawing, nature, thrift, current events, plays and games.
- C—History, industries, civics.

TOWN OF MOULTONBORO

GRADE VII

A—United States History, arithmetic, English.

B—Drawing, civics, music, physiology, current events, thrift.

C—Literature.

GRADE VIII

Same subjects as in Grade VII, but more advanced work.

By "A" subjects we mean those that usually appear on the program every day, while "B" and "C" subjects do not appear on the program each day.

TOWN OF MOULTONBORO

aLower Nk	Hilda Nadeau	5	25	4.51	98	8	10	11
C. H. Village	Sara Wells	17	36	12.05	90	76	24	46
Total		99		68.8		346	119	173
Average			35			90 p. c.		

(a) Pupils transported 11 weeks to Greene's Corner School

Although we had in 1920 a very severe winter for rural schools, the per cent of attendance was much higher than in many of the rural schools of the state. Also we were able to have 36 weeks in all but one of the schools and that was due to so much illness in that part of the town. Although New Hampshire winters are long and often severe it should not prevent the boys and girls in the state from getting 36 weeks of schooling a year.

a Plus district officers' salaries, repairs and High School tuition.

b A new building and a large deficit previous year.

TOWN OF MOULTONBORO

In conclusion, your superintendent has endeavored in solving the many school problems, to think first of the welfare of the boys and girls and then take into consideration any other factors that entered into the problem. And from the many pleasant conferences that I have had with the parents and citizens I believe that the most important civic question ever before the people of this town is the schools. I wish to thank the teachers, parents, school and town officials, and citizens for the hearty co-operation that I have received the past year.

Respectfully submitted,

WILLIAM H. BUKER,
District Superintendent of Schools.
